To the President, Congress and People of the United States of America—

GREETINGS

Whereas, the Duchy of Grand Fenwick has been a sovereign and independent nation since its founding in 1370 A.D.; and

Whereas, the principal support of the Duchy of Grand Fenwick has been, during all these years, the production of the excellent and unique wine known to the world as Pinot Grand Fenwick, which is pressed from the grapes of ancient wineyards on the southern slopes of the northern mountains of the Duchy; and

Whereas, an ignoble imitation of this superior wine, under the name of Grand Pinot Fenwick, is being produced in quantity and sold at half of the cost by certain wineries in the city of San Rafael in the State of California, which is part of the Geographical and political territory of the United States of America; and

Whereas, the sale of this spurious product threatens the livlihood of the independent Duchy of Grand Fenwick; and

Whereas, repeated representations demanding that this injustice be remedied have been ignored by the ministries and government of the United States; therefore be it

Resolved: that the Duchy of Grand Fenwick hold the sale of this wine an unwarranted and unjust and persistent and planned action of aggression against the Duchy; therefore be it

Resolved: The Duchy of Grand Fenwick, having taken all steps it can to remedy the matter peaceably, does here and now, and by these presents, declare that a state of war exists between itself and the United States of America.
